GI-56M Ink Bottle, Magenta

[Canon GI-56M Ink Bottle, Magenta:](#)

Print durable, sharp and vibrant documents with this 135 ml bottle of magenta ink. Ideal for business documents, this ink lets you print up to 11,959 pages from a full bottle, allowing you to go longer between refills. Experience high-quality prints thanks to a unique pigment ink. Once the document has dried fully this ink does not blur easily or become wet when being used with a highlighted marker, and keeps small characters clear and legible with friction and water resistance. Plus, an improved fool-proof no-squeeze bottle design and key type nozzles means you'll never accidentally refill an ink tank with the wrong bottle.
